# HEY NEIGHBOUR!

An exciting change is happening near you!

RND SQ R is proposing a new development at 3110, 3112, and 3118 17 Avenue SW. Our vision is to contribute to the transformation of 17 Avenue SW from a car-oriented corridor to a vibrant people-friendly Main Street.

Beacon is an architecturally iconic two storey commercial and medical building that is designed to prioritize the pedestrian experience and provide active neighbourhood-focused retail along 17 Avenue SW.

**Visit [www.beaconnyc.com](http://www.beaconnyc.com) for details about this development permit application.**
